TINKER TAILOR SCRIPTURE LIE

Are the Scriptures authentic? Can we trust the Scriptures? Why should we believe in the Scriptures? Come and find out with Pastor Mark's new series, "Tinker, Tailor, Scripture Lie". Don't miss a week as we find out how we can have confidence in God's Word.

ACPC CHURCH CAMP 9TH – 11TH MARCH 2012

at Peter Snell Youth Village, 1212 Whangaparaoa Rd, Auckland

Can you contribute to the Church Camp? Definitely - your coming to camp will be a great contribution to the weekend. As well, we're planning a CM v EM soccer match and need enthusiastic players and supporters.

Show me your checkbook, your VISA statement, your receipts, where you spend your free time, what you do with your talents, and I'll show you what you really value the most.

It's like a reverse search. Most people think from heart to treasure, "I value this in my heart, so that's where my treasure goes." Jesus says that you can go from treasure to heart. In other words, where your treasures are is incredibly revealing as to the condition of your heart.

MAKE GIVING A LIFESTYLE

"... God loves a person who gives cheerfully." - [2 Corinthians 9:7](#) NLT

A child who had just learned to tie his shoelaces was crying, so his mum asked, 'Is it that hard?' 'No,' he sobbed, 'but now I'll have to do it for the rest of my life!' Is that how you feel about giving? You want to learn, but you're not sure that you want to make it a lifestyle?

Some swallows were teaching their young to fly from a branch overhanging a lake. One by one the mother bird pushed each of her chicks to the end, until somewhere between the branch and the water they discovered they could fly. Their mother understood what they didn't: until you learn to fly you're not really living!

Understand this: giving is an action built into us by God; it's the air into which we were born. But until you realise that, you'll cling to everything you have! The Bible says, '... Whoever sows generously will also reap generously' ([2 Corinthians 9:6](#) NIV).

Everything in life begins with a seed. Your seed is anything that can multiply: your love, your time or your money. Your harvest is what comes back to you in benefits such as joy, good relationships, and - yes - finances.

If what you have is not enough to be a harvest, sow it as a seed, believing God will multiply it back to you in the areas you need it most. Go ahead, you'll love the results! Giving is like flying. When you learn to let go of

what you're clinging to and launch out, you will realise, 'This is how I was born to live!'
