AUCKLAND CHINESE PRESBYTERIAN CHURCH

105 Vincent Street, Auckland City
10 March 2019

praying for others

- **Rev Tang & Pastor Cox as they minister at ACPC in 2019** – for God's guidance, wisdom, love, and strength in leading our ministries. We pray for blessings on them and their families.
- **ACPC ministries** – we pray that we may build an intimate and deeper relationship with God in the new year. May we follow Him closely and be His disciples. May God put His mission and His will in the prayer of each church member.
- **For our neighbours in the city** – that we take the opportunities to show Your kindness, love, mercy, grace and hope to our neighbourhood.

Our Citizenship is in Heaven

Act On Your Spiritual Intuition

<https://www.rhema.co.nz/the-word-for-today>

'Your ears will hear a voice behind you, saying, "This is the way; walk in it.'" Isaiah 30:21 NIV

How many times has something inside urged you to do a certain thing, but instead you allowed the voice in your head to overrule the voice in your spirit? That inner voice is your spiritual intuition, the part of you God speaks to. The Bible says, 'Your ears will hear a voice behind you, saying, "This is the way; walk in it."'

John the apostle put it this way: 'You have an anointing from the Holy One, and you know all things' (1 John 2:20 NKJV). Learn to trust that 'anointing' because it will tell you: (a) what you need to do; (b) when you need to act; (c) what direction to take; (d) what changes you need to make. What a gift - yet we seldom use it! Somebody said, 'Too much analysis leads to paralysis.' We're afraid we couldn't possibly know something without thinking it through, or because it seems too obvious. We think, 'That can't be right. I couldn't possibly do that.' We argue for our limitations, and as a result they become our limitations!

Learn to recognise and trust your spiritual intuition. It's your connection to the greatest source of wisdom in the universe - God. And don't be surprised when what you hear in your spirit sounds like what you've thought many times but paid no attention to. The Bible says, 'It is God who works in you to will and to act according to his good purpose' (Philippians 2:13 NIV). So next time your spiritual intuition tells you something and it lines up with Scripture, don't be afraid to act on it!

A Word from Andrew

Last weekend we had our church camp at Moirs Point. The weather was great, the company fantastic and the situation idyllic. Thank you to all those who organised it, especially Robert

O'Callahan for having the vision and providing the leadership and to all those who came for all or part of the time. It was a good turn-out! So heartening to see your desire to spend with with each other and with God and His Word.

So, how can we build on the momentum of camp? Continue to seek out opportunities to spend time with each other - like joining a Home Group or coming to events like Table Tennis and our monthly Pot Luck dinners. Because Christians are like herbs - they grow best when they grow together!
